**AMEND Senate Bill No. 579\***

**House Bill No. 594**

by deleting the following language from the bill as amended:

The child, child's parent/guardian, or other relevant service providers, including the department of children's services if the child is in state custody, and other appropriate parties identified by the child and parent/guardian shall be invited to the meeting.

and by substituting instead the following language:

The child, the department of children's services if the child is in state custody, the child's parent/guardian if not in state custody, and other appropriate parties identified by the child, the department of children's services or parent/guardian shall be invited to the meeting.
